3-D ANIMATED ADVENTURE GAME REFERENCE CARD FOR MS DOS (SCI)

Sierra's 3-D Animated Adventures represent a new revolution in computer gaming. Advanced features such as high resolution graphics, state-of-the-art animation and a powerful parser combine to make adventure games that are the closest thing yet to real life.

GETTING STARTED

If you are playing from a hard disk, proceed to INSTALL THE GAME.

If you are playing from floppy disks, format one or more disks for saving games, make backup copies of your program masters, and run through the installation procedure to configure the game to your equipment.

FORMAT SAVE GAME DISK(S)

Sierra's 3-D Animated Adventures support both 3 1/2" and 5 1/4" disk drives. Please refer to your computer's user manual for format instructions.

MAKE BACKUP COPIES OF PROGRAM MASTERS

1. Place your DOS system disk in drive A:.
2. If you have one drive, type DISKCOPY and press ENTER. If you have two drives, type DISKCOPY A: B: and press ENTER.
3. Follow the onscreen prompts to copy the disk.
4. Repeat the above procedure to copy all program masters.

INSTALL THE GAME

Place your disk 1 (or its backup) into your floppy disk drive. Type the letter of the disk drive you just placed the disk into followed by a colon and press ENTER (eg. A:). Type INSTALL and press ENTER. Answer the onscreen questions using the up and down arrow keys to highlight your selections. You will be asked if you wish to install the game on your hard disk. If you do not wish the game to be installed on your hard disk, then press ESC (to skip this step). Otherwise enter the letter designation of your hard disk (usually C) and follow the prompts.

Please Note: The install procedure will write a file named RESOURCE.CFG to disk 1. For the installation to be completed correctly, DISK 1 MUST NOT BE WRITE PROTECTED. No other files on disk 1 are written or changed by the INSTALL command.

LOADING INSTRUCTIONS

1. If you are starting the game from floppy disk: Place disk 1 into the drive, type SIERRA and press ENTER.
2. If you are starting the game from hard disk: Type CD\SIERRA and press ENTER. Next type the name of the game as it was given to you during installation (eg: KQ4, PQ2) and press ENTER.

THE PULL-DOWN MENUS

Most of the functions you will need to use while playing this game can be accessed using the pull-down menus.

To access the menus with a mouse:

1. Press the left mouse button while the mouse cursor is in the status line. The menu will appear. As long as you keep the mouse button pressed, you will be able to examine the contents of the various menus. To select a menu option just release the button while a given option is highlighted.

EXAMPLE: If you highlight SAVE GAME from the FILE menu, a window will appear requesting you to type the description of the saved game.

To access the menus with the keyboard:

1. Press ESC to make the menu appear.
2. Use the arrow keys to highlight the desired action from a menu.
3. Press ENTER to select the desired action.

To access the menus with the joystick:

1. Press the joystick button and the menu will appear.
2. Highlight the desired option with the joystick and press the joystick button to make a selection.

Please Note: If you decide not to make a selection, move the highlight off the top of the menu and press the button.

WINDOWS

When a menu item is selected, a dialog window appears. Dialog windows are used for typing commands or making selections. To move the cursor within the window, use the mouse or the arrow keys. You may also use the HOME or END keys to move the cursor to the beginning or end of a line. Type CTRL-C to clear the line (if you make a mistake, wish to rename a file, etc.).

Windows may contain command buttons. To perform a command with a mouse, select the desired command button and click the left mouse button. To perform a command with the keyboard, use the TAB and SHIFT-TAB keys to move between choices. Press ENTER to select a command. Press ESC to cancel the command.

MOVING YOUR CHARACTER

A joystick, mouse or the numeric keypad/arrow keys on your keyboard can be used to move your character on the screen. Tandy 1000 Series users must depress their NUM LOCK key to use the numeric keypad. To halt your character's steps with the keypad, press the number 5 or press the key last used again. Using a mouse, start movement by clicking the left mouse button. The character will move to the point where the mouse button was clicked and stop there.

INTERACTING WITH THE GAME

You interact with the game by typing in commands of one or two words, or in complete sentences. Unless otherwise instructed, follow all commands with ENTER.

EXAMPLES OF COMMON COMMANDS:

You may meet characters who have messages for you. Start a conversation with them. Type: TALK TO (whoever you wish to talk to). For example, TALK TO THE ANGRY PIRATE.

You may encounter objects you need along the way. To take an object type: TAKE (the object you want to take). For example, TAKE THE SILVER CHALICE.

Pay close attention to details. Take a close look at objects. Type: EXAMINE (the object you wish to examine). For example, EXAMINE THE DUSTY TREASURE CHEST.

You will need to use the objects you acquire on your journey. Type: GIVE THE (object) to (the person or thing you wish to have the object). For example, GIVE THE BONE TO THE HUNGRY TIGER.

RETYPING COMMANDS

If you wish to repeat a command select RETYPE from the ACTION menu or press the SPACEBAR.

INVENTORY

If you wish to see the items you are carrying, select INVENTORY from the ACTION menu or press the TAB key. A list of the items you are carrying will be displayed. To view an object, click on its name with the mouse, or use the arrow keys to highlight the name and press ENTER. Select OK or press ESC key to resume play.

PAUSING YOUR GAME

If you wish to pause the game, select PAUSE from the ACTION menu. Press ESC or ENTER to continue play.

SAVING AND RESTORING GAMES

To allow for errors in judgment and creative exploration, it is recommended that you frequently save your game in progress. You will always want to save your game before encountering dangerous situations. You should also save your game after you have made significant progress in the game.

Please Note: If you're playing from floppy disks, you must have a formatted save game disk before you can save a game.

You may name your saved games using standard English phrases. For example, if you are standing on a sandy beach, call your saved game "STANDING ON A SANDY BEACH", or whatever seems appropriate.
