

KNOWLEDGE TEST

As with all of the games in the Sierra Discovery Series, *Pepper's Adventures in Time* was designed to entertain your child while he or she learns. In fact, we, **guarantee** that your child will learn new things by playing *Pepper's Adventures*. To prove the point we've included a Knowledge Test to demonstrate some of what your child has learned by playing this game.

When your child has completed the Knowledge Test, please mail it back to us and your child will be eligible for membership in the Sierra Discovery Club. Membership is **absolutely free**, and entitles each member to a Sierra Discovery membership card, a Certificate of Achievement for playing this Sierra Discovery Series game, and discounts on future purchases of other games in the Sierra Discovery Series.

If for any reason you are not convinced of this game's learning value, or if your child doesn't have fun playing it, we **guarantee** a full refund of your purchase price. Simply send us your receipt, along with the game and documentation, and a brief note telling us why you were not happy with the game.
